Your 12 Month Creative Practice Vision Journal Prompts

Some journal prompts to help you refine your creative idea by reflecting on your vision, hopes and dreams for your creative practice over the next 12 months!

01.

What would the
best next year
look like for you
in your creative
practice?

02.

What would you create, experience and accomplish in your creative practice over the next 12 months to make it the best year of your life?

03.

**Dream big, but
also include the
details**
